

Certification Quality Policy

International Halal Certification (IHC) is committed to establishing itself as the most reliable and globally recognized Halal Certification Body, promoting professionalism and excellence in certification according to the Divine dictates of the Shari'ah (Islamic Law).

As a Halal certification body, we recognize that effective management of our team members and our certification process is a fundamental and integral part of our business strategy to serve the Ummah, globally.

We will accomplish this by:

- Offering a globally recognized Halal Certification service in accordance with, ISO/IEC 17021:2015, ISO/IEC 17065:2012, GSO Halal Standards, UAE Halal Standards, Pakistan Halal Standards, PNAC Accreditation Conditions G-25/01 Part I & Part II, Malaysian Halal Standards, OIC-SMIIC Halal Standards, Indonesian BPJPH Halal Guidelines, SASO, SFDA and EGAC guidelines and other relevant normative documents.
- Providing Muslim Ummah with professional, fair, and impartial certification service.
- Practicing sound certification principles through competent team members.
- Caring for and valuing our team members.
- Training our team to deliver audits that complies with relevant standards
- International Halal Certification is legally responsible for all its Halal Certification activities.
